

2024 SUMMER YOUTH WEEKS

PRE-CAMP PRAYER GUIDE

We believe prayer is essential to help us focus on what God is doing and what He will do while your group is at camp. Below, we have provided some prayer prompts for you to pray and ask God to move among your group in a mighty way.

This week of camp, please pray over these points:

- Pray for all to realize their need for a Savior because of our sinful nature that separates us from God.
- Pray for many to place their faith and trust in Jesus Christ, the only way to the Father, for the forgiveness of sin and abundant life here on earth, as well as eternal life with God.
- Pray for all who attend to be ready to hear from God.
- Pray for unity within the youth groups and among other youth groups as they mix and hang around others all week.
- Pray for those who believe the lies of culture that make them feel less than or worthless.
- Pray that all the churches gathered at each week of camp will not say anything or judge anyone in a way that would negatively impact someone else's opportunity to believe that Jesus is who He says He is.
- Pray for safety for all.
- Pray for a renewed love for Jesus and His church.
- Pray for many to surrender to full-time vocational service as well as for all to answer the call of living their lives serving the Lord right where they are now.
- Pray for spiritual growth for all.
- Pray for new visions for each church to see their schools and towns as a mission field that is waiting for someone to come share the good news of Christ and His redemption plan.
